GIVING BACK THE GIFT OF WELLNESS

Merritt 7 will partner with Ahmad Mickens and donate the equipment from our existing fitness center to [RF Youth Boxing Inc.](#), an organization that seeks to provide youth with access to an open and inclusive environment fostering connection, encouragement, and empowerment through the art of boxing. We recognize the importance of giving back to the community, we are honored to help Mr. Mickens continue positively impacting the community that RF Youth Boxing has served since its founding in 2007.
